

Sandwell News

SANDWELL
is here to **HELP**

Updates from
the council on

CORONAVIRUS

A great
BIG

from
 Sandwell
Metropolitan Borough Council

☆☆☆A big shout out to all of the businesses, organisations and individuals who are helping us keep our residents safe at the moment.☆☆☆

Huge thanks to [The Albion Foundation](#) who are among some of the great people helping us to deliver more than 2,100 food parcels for vulnerable residents.

Also a massive thank you to [County Cars 2003 Ltd.](#) and [One 4 You Services](#) who are also helping us with taxis to drop off food parcels.

We really appreciate it - as do the people who are receiving our essential supplies ♥

Thank you and keep up the great work everyone - the support Sandwell is showing is incredible ♥

Be safe when visiting Sandwell's parks

Our parks are open for families and individuals to use for their daily exercise – but please do not gather in groups.

- **Please do not use play equipment or outdoor gyms for your own safety**
- **You must not play team sports or socialise with people from outside your household**
- **Please do not visit our parks if you are suffering with coronavirus symptoms**
- **Please keep your distance if you're running or on a bike, and let others pass**

Our parks are great places – please enjoy them and make sure you stay at least 2 metres away from other people.

When you have finished your exercise, please go straight home. This will help to keep everyone safe.

Thank you

For more information visit
www.sandwell.gov.uk/coronavirus

**Please
don't drop
masks
or gloves.**

Take them home, bag them and bin them

**DO NOT USE
PUBLIC
TRANSPORT
UNLESS
NECESSARY**

Only critical workers or people collecting essential food and medicine supplies should be using public transport.

Public health bosses are urging us not to use buses, trains and trams unless absolutely necessary in order to stop the spread of coronavirus.

Only critical workers or people collecting essential food and medicine supplies should be using public transport.

[In a joint statement, the four Black Country Directors of Public Health](#), said: "Please do not travel on public transport unless it is absolutely essential."

CALLING SANDWELL BUSINESSES

Can you help with PPE?

Do you have any spare personal protective equipment (PPE) you are not using?

We're looking for donations of...

Aprons and paper overalls

Single use disposable gloves

Hand sanitiser

Fluid repellent face masks

Report a problem or request a service

ONLINE

During these difficult times we want to keep our phone lines free for those who do not have access to the internet.

This will give our staff more time to help those in most need of our support.
