Welcome to Sandwell - we have dinosaurs

Dinosaurs have been released at Sandwell Valley Country Park and Warren's Hall Nature Reserve!

The augmented reality [Love Exploring app](#) means you can take a selfie with a dino, answer quiz questions, explore and have lots of fun outdoors!

Other games will soon be added too including a hunt for fairies in our parks!

The app is a great way for households to enjoy fresh air and exercise together in a fun and Covid-19-safe way across many Black Country parks and nature reserves.
