

Summer Careers Festival 2021

Thursday 10th June is the launch of Summer Careers Festival 2021! A series of employability events we're delivering in partnership with West Midlands Combined Authority. Please see below for more information and events dates or visit this website:

<https://www.youthemployment.org.uk/employment-help-young-people/youth-friendly-places-in-the-uk/west-midlands/find-your-future-summer-careers-festival-2021/>

The events feature young people in the West Mids looking to take the next steps in their career. This is a fantastic opportunity to listen to local young people about what they want and the barriers they experience to success!

The promotional graphic features a dark blue background with a photo of three young people. The text '7 JUNE - 27 AUGUST' is at the top. The main title 'SUMMER CAREERS FESTIVAL' is in large white letters. Below it is the tagline 'FIND YOUR FUTURE, FIND YOUR PURPOSE' in yellow. Logos for West Midlands Combined Authority, #SummersCareersFestival2021, and Lyfeproof are at the bottom.

Our youth brand, **Lyfeproof**, is hosting **20+ events** to help young people find their **why in life** and gain the **'know-how'** to make **moves towards a dream career**.

Led by **West Midlands** young people with support by proven experts, we'll be chatting **job options, CVs, entrepreneurship, mental health, skills for employment, and what education can do for you**.

Young people can **sign up for events individually**, so there's no pressure. Just come along to whichever events get you hyped. To sign up, click [here](#) (scroll down to see events and opportunities).
