Queen's Platinum Jubilee Beacon lighting - Thursday 2 June - 9.30pm

The Sandwell Beacon will be lit across Sandwell to celebrate the Platinum Jubilee of Her Majesty the Queen on the evening of Thursday 2 June at around 9.45pm.

The Beacon will be seen across Sandwell and this year for the first time we will be using environmentally-friendly light beams to light the Sandwell Beacon Monument.

The light beams will shine brightly from the top of the Rowley Hills and, although this site won't be open to members of the public, the best place to see them will be from the Oldbury area.
